

Sharon Wilhite
Quilt Designer/Teacher/Author

Quilt designer, teacher, and author Sharon Wilhite, specializes in using innovative techniques, timesaving methods, and technology to create spectacular quilts. She has designed quilts for Elizabeth's Studio, Exclusively Quilters, Hoffman Fabrics, Robert Kaufman Fabrics, and Timeless Treasures. She is the developer of the Reflection technique, a quick and easy strip cutting and piecing technique which creates a stunning variation of a kaleidoscope quilt.

Sharon has been quilting since 1989 and designing quilts since 2005. Sharon specializes in distinctive quilt patterns as well as innovative and time-saving techniques. Her patterns are suitable for beginners as well as more advanced quilters. Sharon's book, *Bending the Rules*, is a technique where you can apply a simple process to almost any pattern to give it more movement and added appeal.
